

## Congress venue:

### From the station or city center:

From the main railway station (Hauptbahnhof) take subway/underground line (U-Bahn) U2 heading for "Feldmoching". Get off at "Scheidplatz" (a 7-minute ride).

OR: From city center "Marienplatz" take U-Bahn U3 heading for "Olympiazentrum". Get off at "Scheidplatz" (a 9-minute ride). Take the exit "Bummstrasse". At the end of Bummstrasse turn left onto Kraepelinstr. See also the map, which includes public transportation lines and autobahn exits.

### From the airport:

Take the regional train line (S-Bahn) S8 or S1 to the main station (Hauptbahnhof) and transfer to the subway/underground line (U-Bahn) U2 heading for "Feldmoching".

OR: Take the S8 to "Marienplatz" and transfer to U-Bahn U3 heading for "Olympiazentrum". For further directions, see "From the main railway station or Marienplatz."

## Conference Language:

English

## Registration:

Please send the attached reply card for pre-registration. There are no fees for registration, participation and abstract book. For joining the Get-together dinner please transfer a contribution towards expenses of 10.- Euro per person until 1.10.2010 to:

Account: Deutsche Gesellschaft für Endokrinologie

Account-Nr.: 32005654

Bank: Stadtparkasse Düsseldorf (BLZ 300 501 10)

## 14<sup>th</sup> Annual Meeting of the Neuroendocrinology Section of the DGE and 20<sup>th</sup> Anniversary of an Argentine-German Collaboration

## Symposia:

### Argentine-German collaboration projects Appetite and obesity Management of recurrent pituitary adenoma Methods in neuroendocrine research

## Hot Topics

October 15, 2010

Munich, Germany

Congress venue:

Max Planck Institute of Psychiatry

Hörsaal

Kraepelinstr. 2

80804 Munich, Germany

Dear colleagues

It is with great pleasure that we would like to invite you to Munich to the 14<sup>th</sup> Annual Meeting of the Neuroendocrinology Section of the German Society of Endocrinology together with a meeting in occasion of the 20 year scientific collaboration between Argentina and Germany!

The meeting of the AG Hypophyse (Herbstsitzung) will take place the day before, October 14, 2010 at the same venue.

We are very pleased that a number of extremely renowned scientists will be participating in the congress and we hope as a result there will be some very informative and lively discussions.

During the conference a guided poster presentation will take place as well as a Hot-Topics-Symposium with oral presentations elected from submitted abstracts.

In celebration of the 20 year collaboration between our scientific groups in Argentina and Germany we hope to share our previous experiences and our academic knowledge. Of course we will also celebrate the friendships that have developed as a result of these very fruitful cooperations.

We are very much looking forward to welcoming you in Munich!

Günter Karl Stalla

Eduardo Arzt

### October 14, 2010

19:00 Get-together dinner, together with  
AG Hypophyse (La Villa im Bamberger Haus)

### October 15, 2010

8:00 Registration

8:45 Welcome  
**G. K. Stalla, F. Holsboer**

#### **SYMPOSIUM 1: Argentine-German Collaboration** Chair: **E. Arzt, A. del Rey**

9:00 Exacerbation of neurodegeneration by  
inflammation  
**F. Pitossi**

9:20 Novel interactions between the endocannabinoid  
system and oxytocin  
**V. Rettori**

9:40 Human tuberculosis: a clear case of disturbed  
neuroimmunoregulation  
**O. Botasso**

#### **Ernst-und-Berta-Scharrer-Prize-Lectures** Chair: **G. K. Stalla**

10:00 The novel sumoylation enhancer RSUME is  
implicated in pituitary tumour pathogenesis  
**B. Shan**

10:15 Biochemical characterization of the CRH  
receptor 1 brain expression pattern and its  
genetic dissection in neurotransmitter-specific  
circuits: Inhibitory role on the HPA axis  
activity and unexpected anxiolytic effects on  
stressinduced anxiety  
**D. Refojo**

10:30 Coffee break

#### **SYMPOSIUM 2: Appetite and obesity** Chair: **C. Sievers, K. Wiedemann**

11:00 Low carb/high fat diet: what the animal models  
tell us  
**M. Bidlingmaier**

11:20 The importance of the brain for the regulation of  
energy and glucose metabolism  
**C. Köhner**

11:40 Epidemiology of overweight and obesity  
**H. Wallaschofski**

12:00 **Hot Topics**  
Chair: **W. Kern, J. Kreutzer**

13:00 Lunch

13:30 Postersession

#### **SYMPOSIUM 3 (with AG Hypophyse): Management of recurrent pituitary adenoma** Chair: **M. Buchfelder, C. Schöfl**

14:30 Neurosurgery  
**J. Oviedo**

14:50 Advanced radiosurgery with cyberknife for  
recurrent pituitary adenoma  
**B. Wowra**

15:10 Medical treatment  
**S. Petersenn**

15:30 Coffee break

#### **SYMPOSIUM 4: Methods in neuroendocrine research** Chair: **T. Gudermann, M. Paez-Pereda**

16:00 GC-MS in biochemical research: applications in  
steroidology  
**S. Wudy**

16:20 Application of MS in molecular diagnostics  
**W. Höppner**

16:40 Utilization of cell systems  
**M. Theodoropoulou**

17:00 Poster prize, closing remarks  
**G. K. Stalla**

#### **CME certification:**

Application for certification of the congress by CME-  
points for continuing medical education from Bayerische  
Landesärztekammer is currently in preparation.

#### **Abstracts:**

Abstracts will be published in  
*"Experimental and Clinical Endocrinology and Diabetes"*.

#### **Abstract submission deadline:**

Please submit your abstract no later than **August 1, 2010**  
via e-mail (attached word-file) to:  
**pickel@mpipsykl.mpg.de**

The English written abstract should not exceed half a page in  
length.

Abstract title
Initials, surname (all authors)
Affiliation, city, country (all authors)
Text

#### **Posters sizes:**

Your poster should not be larger than 87 x 200 cm (width/height)

#### **Room Reservation:**

Fremdenverkehrsamt der Landeshauptstadt München  
Sendlinger Straße 1  
80331 München  
+49 (0)89 23396500  
e-mail: tourismus@muenchen.de
